March 2018

Dear Parents,

We're delighted to inform that your child's school has achieved new milestones with each passing day. In the short time since our inception, we have charted new territories and with each achievement, we are grateful to Almighty God for his blessing and we are appreciative of your support.

Without a strong parent-school communication, nothing can be done right. Learning needs to be repeated at home and in school in the same manner for the child to truly benefit from it. Please keep encouraging us to do our best, and we will together shape the personalities of our children who are at the heart of all our endeavors.

Thank you

  
MRS. HUWRA ZOHAIR  
Principal

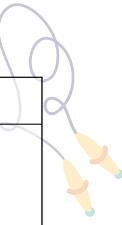

## ANNUAL PERFORMANCE

Frobel Academy's first ever Annual Programme was held at **CJKS** on 19<sup>th</sup> January 2018 and we are proud of each and every learner who participated and tried to do his/her best. The bewitching, bedazzling performances by the learners swept the parents and teachers off their feet.

We would also like to congratulate Frobel Play School for their 15-year celebration. Yay! Hip Hip Hooray! It's hard to believe but our beloved pre-school has completed 15 years since the day it opened its doors to tiny tots. Hard work, perseverance, and team work has made this school a huge success – and wish to honor the Director and Principal Huwra (Tehseen) Zohair, and her dedicated team for carving out a space that belongs to them in the field of education.

## BRITISH COUNCIL BOOK READING CHALLENGE

We are delighted to announce that Annur Islam, student of Class 1 Sun, won the World Book Day 2017 Book Reading Competition organized by British Council. Thank you Annur for bringing honor to the school.

## TAEKWONDO CAMP

A total of 22 participants took part in an after school 7 day taekwondo camp, conducted by Dae Ho Lin, a multiple gold medalist winner in Taiwan, Bulgaria, Turkey.

## PROFESSIONAL DEVELOPMENT ACTIVITIES

There is no end to Professional Development Activities for teachers in our institution, and sticking true to this strategy of making our teachers become learners, we conducted the following workshops.

In October, Bipasha Mukherji conducted a workshop to help teachers identify and cater to learners of different abilities in classroom. Trainers from Riverside Learning Center (RLC) visited us for a week long assessments, reviews, and workshops on Scientific Inquiry, Agenda Setting, Buddy System, Conglom, etc.

In November, Mrs. Masarrat Tavawalla, Director of Sunderji Institutions, Pune, India conducted a workshop on Explorative Play and Creative Writing.

Congratulations to our teachers and Creative Leader to complete the 5 day Touchstone Programme at Riverside School in Ahmedabad, India. They learnt various teaching and practical strategies to enhance the academic performance of the learners as well as learnt how to inculcate good moral and ethical values within a school setting.

### BEWARE OF FIZZY DRINKS

In an attempt to steer our learners towards healthy food, we did a workshop with them on the harmful effects of various fizzy drinks. We encourage the parents to not keep fizzy drinks at home and not allow the children to have them in a regular basis.

### SAFE TOUCH

Given the frequent incidences of unsafe touch, we have been teaching our learners to identify the difference between a safe and unsafe touch. It's extremely important for parents to remind their children every few months about the same and give them the confidence to come forward if they become fearful for their safety in any way.

### LEARNERS' TRIPS

In December, the learners visited Shadhinota Park to learn about the various monuments of Bangladesh and in January, they visited a farm and brick factory to gain knowledge and have a good time.

### OTHER ACTIVITIES

Some of the other events that are worth a mention are the Teachers' Picnic at Halda Tea Garden, the 16 December- Victory Day & 21 February- International Mother Language Day Celebration in school, the one-to-one parent sessions, the musical performance by Korean Orchestra Group, and the drive to create awareness on the World Disability Day.

## FROBEL TRAINING ACADEMY PRE-PRIMARY AND PRIMARY TEACHERS' TRAINING COURSE

Frobel Training Academy is proud to announce the start of a Pre-Primary and Primary Teachers' Training Course from August 2018. The course has a duration of one year and will be conducted in association with Sunderji Teachers' Training Institute, Pune, India who will be our mentors and assessors. Trainers from Sunderji Teachers' Training Institute will do 30 hours' trainings with our trainers of the **PPTC** course, and they will also come on board for a Super Special Week for our trainees.
