

FROBEL ACADEMY

Newsletter , May-19, Issue-06

Dear Parents,

Time stops for no one. Yet another year seems to have whizzed by us at breakneck speed. We are happy to announce that Frobel Academy is now 2 years old. Our Class 3 learners will be going to class 4 in July 2019, and by the Grace of God, we have received admissions for three sections in class 1. We are thankful to all parents who have shown their faith in us by selecting Frobel Academy as the educational partner for their children. From July 2019, our learners will attend school at House 168, Road 2, Block D, Sugandha R/A, Chattogram. Most of the renovation work has finished, and we plan to move our furniture and other resources in that campus during the last week of May. Moreover, construction work has started in our new Ananya campus and we hope to shift there in June 2021.

We are ever grateful to our team of dedicated staff and teachers who always support our mission and strive to achieve impossible goals each year. And as always, we require the prayers of our parents to encourage us in this journey.

Thank you

Huwra Zohair
Principal and Director
Frobel Academy

Milestone Achievements

A programme was held on **Mother Language Day** to honor the martyrs of the language movement on 21st February, 2019. Teachers and learners dressed in shades of black and white participated enthusiastically in the event. A drama was prepared by the Pre-Primary and Primary Teachers' Training Course's (PPTC) trainees. Also, learners performed in front of their peer and younger children.

The Design for Change (DFC) project of Class 2 on 26th March was a **Zebra Crossing Design and Creation** on the occasion of **Independence Day**. The zebra crossing was a gift to the city by the learners. The aim was to instill in them a desire to become more conscientious and giving citizens. The programme started with the National Anthem. The initiative is the brainchild of aProCH (a protagonist in each child). The learners came up with various designs, voted on one, and then created it on the streets. We are thankful to BSRM for providing the logistics support and to City Corporation, Traffic Police, Police, and the Honorable Mayor for encouraging us. It took a lot of effort from our teachers, staff, and learners and we are grateful to each and everyone who participated in the activity.

The **Abriti camp** was a resounding success and we are grateful to Ms. Mili Chowdhury for conducting the camp and ensuring that the learners took the benefit of brushing up their skills.

Children's Day (Shishu Dibosh) on 17th March was celebrated in the school with a whole lot of messy play. Learners from all classes participated and enjoyed the festivities.

Field Trips

Various field Trips were organised this term. The learners of class 1 visited the **Shadinota park**, class 3 went to the **ethnological museum**, and a dairy farm trip was organised for learners to **Purbokone Dairy**. Children of Class 3 who have been working for the benefit of the orphans of **Upalabdh Foundation** said their goodbye to the girls and deposited the Dal and Rice they collected over the past months. Moreover, learners of class 2 enjoyed their field trip to **BSRM School** where they played games with underprivileged children. A heartfelt thank you to **Fakhri Farm and Brickworks** for hosting our learners. A field trip to **Agora** was one of the highlights for the children.

Earth Day awareness campaign was undertaken and the learners cleaned the street outside the school and learnt how to plant trees. We hope that such endeavors will foster in them a desire to take care of this beautiful planet we live on.

Pohela Boishakh was an event to remember with singing, dancing, and a whole lot of other fun activities. Children and teachers dressed in festive colors of red and white to welcome the Bengali New Year.

The idea behind **Provocation and Installation** is to allow learners to choose one topic of their choice and perform an in depth research. It encourages key skills such as critical thinking and analysis as well as creativity. Each class did their best to showcase their finest work, and we are grateful to all parents who visited us during that day and appreciated the work done by the learners. We also express our gratitude to the teachers who put in a lot of time and effort for this event.

We were proud to hold **Student led Conference (SLC)** for the first time this year. In a student-led conference, students, parents, and teachers came together to discuss, plan, and celebrate student learning. Learners were able to explain to the parents the work they produced over the year and the purpose and learning behind it.

Report cards and Awards were handed over to the learners. Moreover, a ceremony was conducted to give Awards to some of the teachers also.

Interesting Activities

Some of the other activities worth mentioning are the **buddy interactions** with younger children, **safe touch** workshops for parents and children, **parent workshop** on Toddler to Teenagers: guiding your child's behavior, **Mother's Day** celebration, and a real hands on experience of **Ramadan Day**. Also on 1st May (Labour Day) a support staff lunch was organised to say a thank you for all their hard work and dedication. Frobel Academy learners and PPTC trainees were proud to participate in the Radisson **Education Fair**. **Autism Awareness** activities were conducted in school. Frobel Academy teachers and staff organised a lunch for all members of Frobel Play School as a way to thank you for the wonderful hospitality over the last two years. A teachers' lunch was also organised by Huwra Tehseen Zohair as a way to express gratitude for the staff and teachers.

Frobel Training Academy Hall of Fame

We are proud to announce the winners of our Hall of Fame Professional Development Excellence Award. Ms. Tahera Fakhri and Ms. Nabila Noor received the awards from Masarrat Tavawalla, the Director of Sunderji Global Academia.

Pre-Primary and Primary Teachers' Training Course Admissions Open

With teary eyes and sad hearts, we must bid adieu to our first batch of PPTC trainees. It's been a wonderful journey with them over a one year period, and now they are about to graduate from our doors. Their exams are over and a farewell programme and lunch was organised for them. We are excited to welcome the new second batch of PPTC trainees. **Admissions are open and ongoing.** If anyone is interested to apply, please email training@frobelacademy.com.

Report cards were issued to PPTC trainees on 30th May 2019. We look forward to welcome the new batch.

Achievers List consists of learners with A+, A, and B+ in all formally assessed subjects.

Professional Development Activities

A team of five visited **Riverside School, Ahmedabad, India** for a week long training programme. They enjoyed their trip and also benefited by learning from Riverside Team who are known for their child-centric learning approach.

An **edYOUfest** was organised by **Frobel Training Academy**. Renowned trainers, Masarrat Tavawalla and Nishrin Sanchawala, from Sunderji Teachers' Training Institute conducted workshops on Understanding the Misunderstood and Balanced Literacy Programme. A total of 160 teachers from various schools and institutes attended the programme.

A teachers as well as parents training workshop on **Behaviour Management** and Brain Gym was conducted by Amrapali Lahiri and Marina D'souza.

Summer Camp Announcement

Frobel Academy will host a basketball summer camp under our expert basketball coach Mr. Jason Sharma. Any parents who are interested to have their child join the course are welcome to call 01777763300 and register their interest. Also, a Mindful Art summer camp will be held for learners of class 2, 3, and 4. Registration forms are available in the office.

Basketball Camp Group 1: 23rd June till 11th July 2019
Mindful Art Camp: 13th July till 23rd July 2019.
