

R E A D

Dear Parents,  
Another academic year  
gone by in the blink of an eye!

We're delighted with all the activities and learning that continued in the school this year. Class 1 and 2 were ferociously busy with Science, Mathematics, English, Exploration of Thematic Units, Social Studies, and of course the vast amount of experiential learning that goes in. They participated in a great deal of **social activity such as creating and painting the Zebra Crossing, Earth Day Celebrations by planting trees, and collecting funds, clothes, and food for underprivileged and flood-hit victims.**

Next year, we are ready to welcome three new sections of Class 1 and we're proud that our class 2 learners will be moving on Class 3. We've also started the development work in our new building at Ananya, Chittagong, and we will try to organize a parent tour by end of 2018 to the location.

The new school calendar will be put on school website by June 2018. Please take note and ensure that your child doesn't miss school on any day. School Holidays start from 31st May 2018 and school will start on 22nd July 2018.

Ramadan Mubarak to everyone. May this Holy Month shower you with Allah's blessings.

We're looking forward to see our learners again soon.

Thank you

Huwra (Tehseen) Zohair  
Principal & Director

May 2018

## ZEBRA CROSSING

Frobel Academy is proud to gift to Chittagong a Child Friendly Zebra Crossing on Panchalaish Road. Class 2 students designed and created the zebra crossing and painted it with the active participation of Chittagong Chapter of Down Syndrome Society. All the learners enjoyed the event and wholeheartedly took part in the activities. They visited the area to understand the need for Zebra Crossing. Later, a plan was formulated, items needed for work were identified, and the school learners visited the Mayor's Office to take permission. They interacted with the Mayor's City Planner to get a better grasp on the logistics of the project. The designs were created and the class voted to select the best one which was later created on the road. We are grateful to Mayor of City Corporation and DC of Traffic Police for giving us permission and supporting the event, and Mr. A. K. M Rezaul Karim from City Corporation was the Chief Guest of the event.

## PUPPET SHOW

Children Day was celebrated on 17<sup>th</sup> March 2018 by holding a Puppet Show at Theatre Institute. All the learners from Frobel Academy and Frobel Play School were invited to attend the fabulous event and had a wonderful time together.

## TECH ACADEMY CAMP

The Tech Academy at Dhaka held a Technology camp for our young learners from class 1 and 2 as well as some students from outside our school. It was a great way for children to understand the concept of Hardware and Software, designing games, and learning that technology is a tool that can be used in many ways.

## ART COMPETITION

Abinta Foundation collaborated with us to hold an Art Competition on 5<sup>th</sup> April 2018. The learners enjoyed the experience of painting and drawing and exploring their creativity. The names of the winners are as follows:

1 <sup>st</sup> Position	Mashrur Safir	Mohammed Ahnaf Awsaf
2 <sup>nd</sup> Position	Farjan Abdullah Hasan	Munaisa Ahmed
3 <sup>rd</sup> Position	Annur Islam	Mubtasim Alam

## EARTH DAY

To celebrate Earth Day on 23<sup>rd</sup> April, learners conducted a session with our Plant Expert, Mrs. Piu Tajik, who explained to them about various plants and trees. Later, the learners visited the nursery to select the plants and these planted outside the school gate. The learners are now responsible to monitor the plants and nurture them during the year.

### **MAGIC BOX CERTIFICATE PROGRAM**

British Council conducted an excellent Reading Program this year. They supported us by providing the books. This helped us inculcate the habit of reading in our learners. The learners who studied the books received a certificate. The Certificates are in the categories as follows: Diamond, Emerald, Sapphire, and Ruby. We encourage you to motivate the children to continue reading during summer holidays.

### **BSRM SCHOOL VISIT**

Since Ramadan had started, in lieu of a class party, all the learners visited BSRM School and interacted with the students of class 1 and 2 who are enrolled there. This gave them an understanding of the life of those underprivileged children and they also learnt to appreciate the privileges of their school and home.

### **MAKING LEARNING VISIBLE**

As part of our attempt to Make Learning Visible, Class 1 and 2 did a Provocation and Installation project on 19th May 2018. The projects highlighted the learning processes used in the classrooms to inspire learners to be curious, to learn on their own, and to ask questions for any topic. The process ensures that the teachers remains a facilitator for learning and is not a lecturer. The learners were excited to showcase the parents and guests the highlights of the topic they had chosen.

### **ACTIVITIES GALORE**

The pages of the newsletter are not enough to explain all the activities that have gone on from March till June. Some of the other highlights included Independence Day Celebrations, General Doctor Check ups, Messy Day, Pohela Boishak, pool parties, and buddy interactions. The whole school celebrated Ramadan Day and learners learnt how to respect each other's religious sentiments. Karate students received their new Belt after a demonstration was given in front of parents and children proved their ability to progress. We hope to continue all these and many more other activities in the next academic year also.

### **FROBEL PLAY SCHOOL Pre-Play Admissions**

We're delighted to announce that Frobel Play School will open a new section of Pre-Play from January 2019. Children from 2.6 years to 3 years can apply on 8th December 2018 by downloading the admission form from the school website at [www.frobels.com](http://www.frobels.com). You may call 880-1765103305 or 2551036 for more info.

### **PRE-PRIMARY AND PRIMARY TEACHERS' TRAINING COURSE**

In collaboration with Sunderji Teachers' Training Institute, Pune, India, Frobel Training Academy inaugurated the Pre-Primary and Primary Teachers' Training Course. The duration of the course will be from August 2018 till May 2019. Master Trainers from Sunderji Teachers' Training Institute have conducted a thirty hours' mandatory trainings with our trainers of the PPTC course, and they will also come on board for a Super Special Week for our trainees. The Certificate Course is accredited by National Council of Teachers' Education, India.

For anyone who is interested to join this course, connect with us on Facebook, email us at [training@fobelacademy.com](mailto:training@fobelacademy.com) to get the registration form, or call at 880-1777763300 to learn more or register your name to receive information. The form is available for download from our website at [www.fobelacademy.com](http://www.fobelacademy.com).
